# Naturalization Information Session

Thursday, January 19, 2017  
5:30 P.M.—7:30 P.M.

Join us for a Naturalization information session led by United States Citizenship and Immigration Services (USCIS) community relations officers. The topics covered at this FREE session will include: The Naturalization Process, the New Naturalization Test and the rights and responsibilities of U.S. Citizenship.

This session will offer a step-by-step description of the naturalization process. There will be free naturalization test preparation materials available.

Reduce the uncertainty of the naturalization process by learning what is expected of you and how to navigate the immigration process.

Presented by

USCIS Representatives
